Thank you for attending the EPA public hearing in Hot Springs, SD.

Here is the website where you can find the EPA draft Underground Injection Control permits and proposed aquifer exemption documents for the Dewey-Burdock site:

<https://www.regulations.gov/docket?D=EPA-R08-OW-2019-0512>

At this website you can find the Class III draft permit and fact sheet, the Class V draft permit and fact sheet and the aquifer exemption draft Record of Decision.

The EPA is also requesting comments on the draft Environmental Justice Analysis. I have attached that document.

I appreciate you taking time to provide comments on these proposed actions.
